Blessed Selves,
Santhosham!

Ongara Ashramam was founded by Parabrahma Sadguru Siddhar Swamigal in 1960 with the Universal Goal of affording happiness "Santhosham" (Eternal Bliss) to every living being. He created the Ashram to spread his message of Divine Love and Open Space Meditation as a powerful method towards achieving it.

Parabrahma Sadguru Siddhar Swamigal incarnated on May 15th, 1904 at Srinivasanallur, near Kumbakonam in Thanjavur District. His parents, Sri Rathnaswamy and Smt. Dhanabakkiyam Ammal, belonged to a family of Siddhars, who were the repository of Vedic Knowledge. They were well-versed in the study of medicinal plants and herbs and were physicians as well.

Siddhar Swamigal was a deep thinker and spiritually inclined from a young age. He devoted his life and activities to social service. In his teachings, he emphasized the importance of Guru Bhakti. He exhorted his disciples to transcend narrow and divisive social barriers in their spiritual evolution and develop universal consciousness, drawing on the immense spiritual powers within.

In January 1962, Swamigal beckoned his chief disciple, Swamy Ongaranandha and instructed him to be the Guiding Light of Satchitananda, throughout the world, performing selfless karma and to establish the triune principles of Truth, Righteousness and Justice.

On Siddhar Swamigal's Birth Centenary in May 2004, the Department of Posts, Government of India honoured the memory of the Great Saint by releasing a special commemorative postage stamp and first day cover.

With the objective of spreading divine bliss or 'Santhosham' all over the world, Swamy Ongaranandha guides the activities of Ongara Ashram. The Ashram, which is a non-religious organisation has been spreading the message of Universal Peace and Brotherhood and has engaged in social service. Over 50 mammoth spiritual works, which guide the earnest seekers of Truth on their chosen path, have been authored by Pujyasri Swamy Ongaranandha. He has also founded the Spiritual Monthly, ONGARAM, in 1972, a cornucopia of the Ancient wisdom of the Siddhars. The Ashram holds World Peace Conferences and Mass rallies for World Peace. Special emphasis is given to providing food and clothing to the poor. The Ashram also has among its objectives the emancipation of destitute girls, providing them with a home, education and medical care. Plans are underway to build a hospital for aged women.

In reverential obeisance to the Paramaguru Siddhar Swamigal,
Ongara Ashramam has consecrated Shrines of worship in His honour
at Pudukattinam (near Kalpakkam), Kaarai (near Gingee), Puducherry and Mayiladuthurai.

the Siddhars also present important dimensions of spiritual knowledge. A One Day Conference on these
